

# **Research Proposal for the CAPS Internship**

**Submitted to**

**Centre for Air Power Studies (CAPS),**

**P-284, Arjan Path, Subroto Park, New Delhi-110010**

**Title of the Tentative Research**

**Submitted by:**

Name:

Details

Date

### **Points to be kept in mind:**

Style sheet: Times New Roman Font 12 and 1.5 line spacing.

Chicago manual to be followed for citations

### **The candidate is expected to adhere to the format given below:**

#### **Background** (Not more than 1000 words)

The researcher must briefly posit the broad context of her/his research problem.

#### **Research Questions and Hypothesis**

Formulate the relevant research questions for the proposed research work followed by crisp and cogent research hypothesis.

#### **Tentative Chapters**

The researcher must give a list of tentative chapter headings with a brief description (not exceeding 2--3 lines) of the content of each chapter. The first and the last chapter must be called Introduction and Conclusion respectively.

#### **Bibliography:**

The list of the sources the researcher used to get information for the research proposal and other relevant sources.
