Research Proposal for the CAPS Internship

Submitted to

Centre for Air Power Studies (CAPS),
P-284,Arjan Path, Subroto Park, New Delhi-110010

Title of the Tentative Research

Submitted by:

Name:
Details
Date
Points to be kept in mind:

Style sheet: Times New Roman Font 12 and 1.5 line spacing.
Chicago manual to be followed for citations

The candidate is expected to adhere to the format given below:

**Background** (Not more than 1000 words)

The researcher must briefly posit the broad context of her/his research problem.

**Research Questions and Hypothesis**

Formulate the relevant research questions for the proposed research work followed by crisp and cogent research hypothesis.

**Tentative Chapters**

The researcher must give a list of tentative chapter headings with a brief description (not exceeding 2--3 lines) of the content of each chapter. The first and the last chapter must be called Introduction and Conclusion respectively.

**Bibliography:**

The list of the sources the researcher used to get information for the research proposal and other relevant sources.
